

## SLOBC Membership News

Broome membership@slobc.org

Submitted by: Chris

The expiration date of your membership is printed above your name and address on the cover of this SLO Coaster. A lot of memberships expired on January 1<sup>st</sup> and yours might be one of them. We will start preparing the 2008 membership directory in March, so please renew your expired membership, or you won't be listed.

A renewal form and instructions can be found on the SLOBC website at:

<http://www.slobc.org/ApplicationForm.html>

Note that you now have options for receiving the SLO Coaster and the Membership directory by email, in printed form or not at all. You can check off the options you want on the renewal form. If your membership is current, just send an email to membership@slobc.org indicating how you prefer to receive the publications.

If you live in SLO County, or Santa Maria, and you have recently renewed, please pickup your new membership cards at the monthly meeting. We only mail new cards to members who are outside the area – this saves the club a lot of time and money.
