

Lighthouse Century Traffic Control Plan

Event Date: September 27, 2025

**CYCLING
EVENT**
SAT SEPT 27
7 AM – 5 PM
WATCH FOR
CYCLISTS

Special event signs are 48" x 48" roll-up signs on metal stands used within the Temporary Traffic Control Zone. Signs will be placed Friday afternoon before the event.

"CYCLING EVENT AHEAD" signs will be placed where motorists enter the Temporary Traffic Control Zone or turn onto roads within the zone used by the event or where cyclists will be making left hand turns across traffic.

"END CYCLING EVENT" signs will be placed where motorists leave the Temporary Traffic Control Zone.

"PRE-NOTIFICATION" signs are 48" x 60" on Type III barricades identifying the date and time of the event. They will be placed on major roads where they enter the Temporary Traffic Control Zone on Monday before the event and replaced with "CYCLING EVENT AHEAD" signs Friday afternoon prior to the event.

Rough Shoulder at mile marker 5.5 westbound side of Hwy. 46. Place warning sign before and cones to keep cyclists away from rough area.
